

# **Greenville Recreation & Parks Department**

## **Bradford Creek Public Golf Course**

### **GOLF ADVISORY COMMITTEE**

#### **Statement of Purpose:**

The Bradford Creek Public Golf Course Advisory Committee will provide the Greenville Recreation & Parks Department and Bradford Creek Public Golf Course staff with citizen input on course practices, procedures, and future renovations/development. This volunteer citizen committee will ensure that our high level of customer service continues to evolve and improve to meet our current customer's needs, and to grow the game of golf for future generations.

The committee will consist of 9 individuals. Seven of these individuals must reside in the City of Greenville, but in recognition of the fact that we do have players from outside the city, two of the individuals may be non-residents. Meetings will be held in the evenings at the Bradford Creek clubhouse. Initially the committee will meet monthly in order to establish operating procedures and get familiar with current issues facing the course, but eventually the Committee may decide to meet every other month once a meeting routine is established.

Committee members will serve 3 year terms with the opportunity for one reappointment. However, in order to ensure that terms are staggered, the initial advisory committee will have 3 members who serve for 1 years, 3 members for 2 years, and 3 members for three years. After this initial period, all appointments will be for 3 years. Initial members may serve two full 3 year terms.

In order to be considered for the Golf Course Advisor Committee, an interested person should complete the attached form. These forms will be reviewed by the Greenville Recreation & Parks Advisory Commission who will select the Golf Advisory Committee members.

Thank you for your interest in the future of Bradford Creek Public Golf Course.
